REFLECTION

The ordinariness of Jesus is the first thing we notice. There is no big discourse on the kingdom of God – just looking around him and saying it’s like seeds growing and you can’t see them.

Slow Growth

People knew what he was talking about – seeds growing down in the ground and you can do little about it! You just wait. They had little of the modern quick ways even of sowing. All life was slow and that’s often the way.

A baby – the tiny beginnings of a huge spirit! All through life some of the best things are under our eyes and we do not see them. Coming to death there is a slow journey often and growth is happening under the ground. We are being grown by God always if only we would let him do it.

Seeds are sown

And how we help others grow – you may not know – the faith that grows in your children. Different in specifics from you maybe. Or the way they are taught to love and it comes out in the next generation. Seeing love in a marriage and learning from example to forgive, and live in peace with each other. Seeds are sown and grow – how to love and forgive, how to share with our neighbour, how to face death. When we remember our dead, what comes to mind is what they taught us about life.

A lot of the best in life is waiting. For birth – you can’t hurry it. Or death.

Important moments come in God's time. So much of life is on trust.

A FATHER MEANS...

A Father means so many things...
A understanding heart,
A source of strength and of support
Right from the very start.
A constant readiness to help
In a kind and thoughtful way.
With encouragement and forgiveness
No matter what comes your way.
A special generosity and always affection, too

A Father means so many things
When he's a man like you...
