Pope Francis' Easter 'Urbi et Orbi' Message 2019

May conflict and bloodshed cease in Libya, where defenceless people are once more dying in recent weeks and many families have been forced to abandon their homes. I urge the parties involved to choose dialogue over force and to avoid reopening wounds left by a decade of conflicts and political instability.

May the Living Christ grant his peace to the entire beloved African continent, still rife with social tensions, conflicts and at times violent forms of extremism that leave in their wake insecurity, destruction and death, especially in Burkina Faso, Mali, Niger, Nigeria and Cameroon. I think too of Sudan, presently experiencing a moment of political uncertainty; it is my hope that all voices will be heard, and that everyone will work to enable the country to find the freedom, development and well-being to which it has long aspired.

Part 3 of 5... to be continued

ShareLife

Living the Gospel by supporting mental health wellness

Last year, over 3,200 people accessed individual, couple and family counselling at Catholic Family Services of Peel-Dufferin, a ShareLife-funded agency. Given that depression has replaced back injury as the number one reason for absenteeism at work, these services are helping clients maintain employment and stay out of poverty. By supporting ShareLife agencies like CFS Peel-Dufferin, you're helping people find health and happiness.

**Today is ShareLife Sunday.
Thank you for your generosity.
