For the Week after World Mission Sunday

Thank you very much for your generous contribution of \$437.65 to last week's World Mission Sunday collection. This support is a blessing for the Bishops, the Priests, the Sisters, the Brothers and the lay catechists who depend on this help from the Society for the Propagation of the Faith. Please continue to pray for those who serve in mission countries so that they may remain steadfast in their vocation to bring Christ's message of love to those they serve.

ST JOSEPH PARISH HALL

November 3 from 11:30 am to 1:30 pm

ADULTS \$12.00 and Children \$5.00... come along and taste the foods of the world and enjoy fellowship with others. Tickets are on sale . We ask that you purchase tickets in advance, if possible.

You are also invited to bring a dish from your nationality to share with others. Please sign up at the sign-up sheet **located at the entrance of the Church**. Thank you very much for your generosity.

We're excited you want to make a commitment to live more sustainably and adopt new habits that are good for the Earth! We've identified a variety of commitments you can consider within three high-impact behavior areas: transportation, energy, and food.

Within each category (below), these commitments are organized from smallest to largest impact. In other words, the most helpful commitments you can make include: "Have one less car in the family", "Install a solar array to power my residence", and "Adopt a 100% plant-based diet".

TRANSPORTATION COMMITMENT....

How we travel from one place to another always has an impact on the Earth, no matter how near or far. We invite you to join us in moving around our world more thoughtfully and sustainably.

Walk or use a bicycle for my repeated errands

Every time you walk, cycle, rollerblade, skateboard, etc. instead of driving for 3 km (2 miles), you save one inflated balloon's worth of carbon pollution
