**Pope's Prayer Intention for November:  
Dialogue and Reconciliation in the Near East**

*That a spirit of dialogue, encounter, and reconciliation emerge in the Near East, where diverse religious communities share their lives together.*

Each year, the Holy Father asks for our prayers for a specific intention each month. You are invited to answer his request and to join with many people worldwide in praying for this intention each month.

We're excited you want to make a commitment to live more sustainably and adopt new habits that are good for the Earth! We've identified a variety of commitments you can consider within three high-impact behavior areas: transportation, energy, and food.

**TRANSPORTATION COMMITMENT...**

**1. Start using public transit to get to work (3 days per week or more)**

**2. Instead of driving your car, try riding the bus or train 3 days per week. If you choose the bus, you can save 1 day's worth of carbon pollution each week. If you choose the train, you can save 2 day's worth of carbon pollution each week!**
