We're excited you want to make a commitment to live more sustainably and adopt new habits that are good for the Earth! We've identified a variety of commitments you can consider within three high-impact behavior areas: transportation, energy, and food.

## TRANSPORTATION COMMITMENT...

### Always use public transit to get to work

If you choose to commute by bus, rather than driving your own car, you can **save an entire season's worth of carbon pollution** over the course of one year. And if you choose to commute by train, you'll save nearly double that! To be continued ...

A very special and big thanks to the fundraising committee of our parish for organizing the **INTERNATIONAL FOOD FAIR**. Thanks to all those who brought delicious dishes to share with others. Thanks to all who supported the event through your presence and contributions. It was indeed a wonderful event. It celebrated the diversity in our parish. May God bless you all....

Fr. Francis

## Collection – November 16/17

As members of our Catholic community, we regularly benefit from the tireless service of our priests. They have been instruments in living out a “faith in action.” Called by God and ordained to care for His people, our priests serve our families, in churches, schools, hospitals, nursing homes, missions and on the streets. The Shepherds’ Trust supports our priests to help them live their retirement years with dignity.

The Shepherds’ Trust collection this year will take place in all parishes in the Archdiocese during the weekend of November 16-17. Envelopes will be distributed the weekend of November 9/10. As well, please consider remembering The Shepherds’ Trust in your will.

This trust fund is a tangible way to care for those who cared for us and to give thanks for the blessings we have received through them. Your generosity is greatly appreciated.

### REFRESHMENTS AND SNACKS

Please join us after Mass for a little friendly social gathering to get to know each other in our community.
