PENTECOST SUNDAY : JUNE 08, 2025

Pentecost

Pentecost is a feast day in the Jewish religious calendar, originally called Shavuot (The Feast of Weeks), a harvest festival traditionally observed seven weeks after Passover.

As regards Jesus, Pentecost is significant because it was the day when the Spirit of Truth was bestowed on the human race. Since Jesus left the earth in physical form, he sent this spirit presence to continue to fellowship and comfort all those who seek truth. Pentecost is now a Christian holiday that celebrates the arrival of this spirit on the 50th day after Easter.

The bestowal of the Spirit of Truth is traditionally depicted as tongues of fire descending upon the apostles and others: one hundred and twenty in all. They were gathered together in the upper room of Elijah Mark's home, where they had celebrated the last supper the day before Jesus was crucified.

Pentecost is also significant because the apostles and other disciples were moved to enter the temple and begin preaching as soon as the Spirit of Truth had been bestowed. What they preached was a new gospel that had the risen Christ at its center. This new teaching became a substitute for the original gospel of Jesus and has had great significance in the ensuing centuries.

The outpoured Spirit of Truth was worldwide. Its purpose was (and is) to aid each succeeding generation of believers to remember and re-interpret the teachings of the Master for their day and time. The Spirit of Truth leads into all truth, helping all of us to remember and more fully experience the fact of sonship with God. The Spirit of Truth provides us with the continued spirit presence and fellowship of Jesus.

The Spirit of Truth is the last of the seven-fold endowments of spiritual guidance that aid us in our ever-ascending experience of God. Although the spirit will never speak of himself, proof of the presence of the Spirit of Truth is found in an increased consciousness of Jesus. The Spirit of Truth became almost immediately effective in the lives of its recipients. And even though the new gospel that they preached was a distortion of the original gospel of Jesus, those errors did not interfere with the spread of these new teachings. And one day, those hidden and submerged elements of Jesus' gospel will re-emerge and will transform civilization.

"Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth".

God Bless. Fr. Roshan Loy D'Souza, CSC
